ARTISTS EXHIBITION AREA SCULPTORS/ WOOD CARVERS

Ente Fiera Promoberg promotes a workshop exhibition dedicated to wood carvers and sculptors, an interactive event since all the artists participating are expected to perform their artworks during the exhibition: an event that involves dozens of artists, thus collecting a huge interest. It has been designed to stimulate the public to get closer to wood processing, a typical activity of our territories, that over time has been less and less practiced. This is an area in which each artist can also show off his piece of work as well as promote his own artistic mastery, though it remains a non-commercial area.
